

Conflict Resolution with Parents and Aggressive Behaviour Policy

At Smithfield House Childrens Nursery, we believe that we have a strong partnership with our parents* and an open-door policy to discuss any matters arising (if applicable).

If, as a parent, you have any concerns or issues you wish to raise with the nursery then please follow the complaints procedure.

In the case of a parent emailing, calling, or using social media to complain the nursery will direct them to the correct procedure for raising a complaint.

We are a diverse and inclusive childcare setting, and have zero tolerance on abusive calls, emails, social media, contact and face to face confrontation. Our staff and our families have the right to attend a non-abusive environment and without intimidation,

Calls of an aggressive/abusive manner

The call taker receiving a call leading to abusive or aggressive will remain calm and professional and ask them to follow the Complaints policy. If the abuse continues the call taker will end the call. Abusive and aggressive calls will be logged with an outline of the conversation.

Emails of an aggressive/abusive manner

The responder will ask the parents to come into the setting to speak in person, as per our Complaints policy. If the emails persist the manager may seek legal action. All emails will be kept as evidence until the matter is resolved.

Social Media

If slanderous or abusive messages appear on any social media sites, we will address these immediately with a request to follow our complaints procedure. We will endeavour to resolve any issue raised through our Complaint's procedure. If slanderous or abusive messages continue, we will seek legal action against the complainant.

If any person inside the nursery starts to act in an aggressive manner at the nursery, our policy is to:

- Direct the person away from the children and into a private area, such as the office (where appropriate).
- Ensure that a second member of staff is in attendance, where possible, whilst continuing to ensure the safe supervision of the children
- Remain composed and professional to calm the aggressive person, making it clear that we do not tolerate aggressive or abusive language or behaviour
- If the aggressive behaviour continues or escalates, we will contact the police to ensure the safety of our staff team, children, and families
- If the person calms down and stops the aggressive behaviour a member of staff will listen to their concerns and try to resolve the issue
- Following an aggressive confrontation an incident form will be completed detailing the time, reason and any action taken
- Any aggressive behaviour from a parent could result in the withdrawal of their child's place. Parents will be informed, by the management team, in writing within three days of any incident that involved aggressive or threatening behaviour to their staff
- Management will provide support and reassurance to any staff member involved in such an incident
- Management will signpost parents to organisations or professionals that can offer support, if applicable

- This policy will be followed in the event of any other visitor or member of the public displaying this type of behaviour either by phone, email, social media or in person.
