

Welcome

Welcome to all our new families joining us this month. We look forward to building strong partnerships with you whilst caring for your child(ren). We will share their day with you via the Family App. If you need any support logging on, please have a chat with either Chloe or Shaney.

Dear Parents/Carers

Our home corners:

Thank you to all our parents who are contributing to our home corners. Things are starting to come together now, and these areas are beginning to look more authentic. Please keep your items coming. If you have anything at all you think may be useful, please speak to the staff and if we can, we will give it a good home.

Welcome back Hannah:

Hannah has returned from her maternity leave and is currently working between our baby room and pre-school room. Hannah's beautiful daughter Dolli-Mae comes to work too and has settled in so well. We all look forward to watching her grow and develop.

Please use the stairs:

With the current financial climate and the ever-increasing rise in utilities etc, we are very conscious and careful not to overuse our energy systems. The team are very good at recycling resources, turning off lights in unused rooms etc. We do this to keep our costs down and not have to pass these on to our families. Therefore, can we politely ask that if you are physically able, please use the stairs rather than the lift. This will make a huge difference to our electricity costs.

Borrowing bags:

We are developing borrowing bags for our families to take home over a weekend to share with your child(ren). These are a great resource in further developing your child(ren's) speech and language. It is also a lovely way to share some one-to-one time with your child(ren). We have already trialled a couple of them with

Paediatric first aid training for our Parents/Carers

Please be assured that I am still liaising with train aid to secure a new date for parents to take part in our Paediatric first aid program. I hope to have some new dates soon. For parents new to the nursery, please have a look on Tom's website to see the program on offer. If we can secure 12 places, this does reduce the costs. The practical side of the training will be held at the nursery.

<http://www.train-aid.co.uk>

We do hope that you will join in with this worthwhile initiative.

Suncream/ Sunhats

Please make sure that your child has suncream and sunhat (Labelled) that can be left at nursery. Although we do have spares here at nursery, the children having their own provides the opportunity of them learning to identify personal belongings.

one of our families and have had fantastic feedback. Chloe and Shaney are busy putting together some more and these will be offered to our families in the next week or two. If you take one home, please upload some photos and how well the activity went to your child(ren's) profile on Famly. This information can then support the team plan your child(ren's) learning going forward. In addition to this, any ideas you may have for new bags will be greatly appreciated.

Stay and Play Days:

Stay and play day will take place on Fridays between 10am-12pm. We would like to give our parents the opportunity to join us for a couple of hours. Learn how to make playdoh, gloop or salt dough. Join our circle time and sing your heart out with your child, join their imaginary play and see nursery life through their eyes. We are sure they would love to have mum or dad come play for a while. If your child(ren) don't attend that day, that's not a problem, come along and join the fun. Please note that you will be responsible for your child so that we always maintain our ratios. These will begin from the Friday the 19th of May. Please let the office know if you will be attending.

Our friendly hairdresser:

Unfortunately, due to a technical glitch on TotsCrops system, no bookings could be made for May. However, Keelin will be back again in June. As soon as we get the link, we will make it live on the Famly App. If you can't wait that long, drop her an email and I am sure she will pop in!

Coronation Celebrations:

We will be having coronation afternoon tea for the children. King Charles and Queen Camilla will be in attendance (albeit, in the form of lifesize cardboard cutouts). The children will be making their very own crowns and have their flags and balloons.

Contribute to our Newsletters:

If there is anything you would like to contribute to our newsletters: up and coming events in the City etc that you would like to share with all our families, please let us know and we will get the information out there for everyone.
