

Welcome

Welcome to all our new families joining us this month. We look forward to building strong partnerships with you whilst caring for your child(ren). We will share their day with you via the Family App. If you need any support logging on, please have a chat with either Chloe or Shaney.

If you have any queries regarding your invoice, please contact Gail directly on: manager@smithfieldnursery.co.uk
This will ensure you receive a faster response regarding any financial matters.

Dear Parents/Carers

The last of our school leavers:

We have said goodbye to the last of our children going to school. Watching you grow from tiny babies, into confident pre-schoolers has been amazing. You have all the skills needed for your new journey into full-time education. Of course, we will still see some of you for a while yet when you come to collect your siblings or join us for the half-term holidays. It has been a privilege to care for you. Best wishes and good luck to you all. xxx

Our surprise hot weather spell:

We have been blessed with a spell of hot weather. A last hooray for the summer. Please can you make sure your child has sun-cream and a sun hat at nursery. We want them to enjoy the sunshine safely.

Paediatric First Aid Course:

For our new families joining us (and of course our existing families) We are fortunate to have a partnership with an excellent First Aid Trainer. I would like to organise another course for any parents who are interested. The course is in two parts: the first part is online, and the second part is a practical session that is held in the nursery on a Saturday. If we can fill all 12 places, this keeps the cost to you at around £55 per person. I am unsure if they have increased the cost since our last course. I am sure you will all agree that this is a worthwhile skill to have when you are the parent

Shoe Lane Library:

The library rhyme time sessions are continuing every Monday with Sona and Eileen. The children love attending these sessions and get so much from them. Please can you make sure that your child is with us no later than 10am so they can be ready to leave and walk to the library in time for the 10.30am session. We do not want any child to miss out on the excellent sessions provided for us.

Spare clothes:

Please can we ask that you have a look through your child's box to make sure that they have enough spare clothes and that they haven't grown out of the clothes that are there. We are happy to hold on to any that your child has outgrown and use these as spares for the nursery.

of a young child. It is also a nice way to meet other parents whose child attends the nursery. I am aiming for later October/early November, trainer availability permitting. Please do let me know as soon as possible so I can contact them. Unfortunately, we cannot provide childcare to allow both parents to attend together. However, we are happy to secure an additional date if both parents would like to take advantage of this offer.

Stay and Play Days:

We will be restarting our stay and play days on a Friday, (times to be confirmed) Please take advantage of these sessions and share your child's learning experiences. As we need to maintain our adult:child ratios, you will be responsible for your child whilst attending. If there is a particular activity you would like to do, please let the team know. We would love to have any parent who can play a musical instrument, bring it along for a music session.

Our friendly hairdresser:

Remember to book your slot on the TotsCrops website. The team will always remind you via the Family App when Keelin is due to attend and will supply the link for you to book a slot for your child's haircut.

Contribute to our Newsletters:

If there is anything you would like to contribute to our newsletters: up and coming events in the City etc that you would like to share with all our families, please let us know and we will get the information out there for everyone.
